## Compensation and Other Disclosure Information

K&K Insurance Group, Inc. ("K&K") is an insurance producer licensed in your state. Insurance producers are authorized by their license to confer with insurance purchasers about the benefits, terms and conditions of insurance contracts; to offer advice concerning the substantive benefits of particular insurance contracts; to sell insurance; and to obtain insurance for purchasers. The role of the producer in any particular transaction involves one or more of these activities. Compensation will be paid to the producer, based on the insurance contract the producer sells. Depending on the insurer(s) and insurance contract(s) the purchaser selects, compensation will be paid by the insurer(s) selling the insurance contract or by another third party. Such compensation may vary depending on a number of factors, including the insurance contract(s) and the insurer(s) the purchaser selects. In addition, K&K may charge a fee for administrative services. Your signature on your application, quote form, check, credit card and/or other authorization for payment of your premium, will be deemed to signify your consent to and acceptance of the terms and conditions including the compensation, as disclosed above, that is to be received by K&K. The insurance purchaser may obtain information about compensation expected to be received by the producer based in whole or in part on the sale of insurance to the purchaser, and compensation expected to be received based in whole or in part of any alternative quotes presented to the purchaser by the producer, by emailing a written request to [warranty@kandkinsurance.com](mailto:warranty@kandkinsurance.com).

In addition, premiums paid by clients to K&K for remittance to insurers, client refunds and claim payments paid to K&K by insurance companies for remittance to clients are deposited into fiduciary accounts in accordance with applicable insurance laws until they are due to be paid to the insurance company or Client. Subject to such laws and the applicable insurance company's consent, where required, K&K will retain the interest or investment income earned while such funds are on deposit in such accounts.

In placing, renewing, consulting on or servicing your insurance coverages K&K and its affiliates may participate in contingent commission arrangements with insurance companies that provide for additional contingent compensation, if, for example, certain underwriting, profitability, volume or retention goals are achieved. Such goals are typically based on the total amount of certain insurance coverages placed by K&K with the insurance company or the overall performance of the policies placed with that insurance company, not on an individual policy basis. As a result, K&K may be considered to have an incentive to place your insurance coverages with a particular insurance company. Where K&K participates in contingent commission arrangements with insurance companies, K&K may be entitled to additional commission in the range of 0 to 5% depending upon whether and when specified thresholds are achieved.

Our liability to you, in total, for the duration of our business relationship for any and all damages, costs, and expenses (including but not limited to attorneys' fees), whether based on contract, tort (including negligence), or otherwise, in connection with or related to our services (including a failure to provide a service) that we provide in total shall be limited to the lesser of \$2,500,000 or the singular annual limit of the policy of insurance procured by us on your behalf from which your damages arise.

The liability limitation applies to you, our client, and extends to our client's parent(s), affiliates, subsidiaries, and their respective directors, officers, employees and agents (each a "Client Group Member" of the "Client Group") wherever located that seek to assert claims against K&K, and its parent(s), affiliates, subsidiaries and their respective directors, officers, employees and agents (each an "K&K Group Member" of the "K&K Group"). Nothing in this liability limitation section implies that any K&K Group Member owes or accepts any duty or responsibility to any Client Group Member.

If you or any of your Group Members asserts any claims or makes any demands against us or any K&K Group Member for a total amount in excess of this liability limitation, then you agree to indemnify K&K for any and all liabilities, costs, damages and expenses, including attorneys' fees, incurred by K&K or any K&K Group Member that exceeds this liability limitation.

Aon Corporation, our ultimate parent company, and its affiliates have from time to time sponsored and invested in insurance and reinsurance companies. While we generally undertake such activities with a view to creating an orderly flow of capacity for our clients, we also seek an appropriate return on our investment. These investments, for which Aon is generally at-risk for potential price loss, typically are small and range from fixed-income to common stock transactions. In such case, the gains or losses we make through your investments could potentially be linked, in part, to the results of treaties or policies transacted with you. Please visit the Aon website at [http://www.aon.com/market\\_relationships](http://www.aon.com/market_relationships) for a current listing of insurance and reinsurance carriers in which Aon Corporate and its affiliates hold any ownership interest.
